DISCLAIMER REGARDING DEBTORS' STATEMENTS OF FINANCIAL AFFAIRS
AND SCHEDULES; ALONG WITH RESERVATIONS OF RIGHTS**

**To: THE HONORABLE STACEY G. JERNIGAN, UNITED STATES BANKRUPTCY
JUDGE; THE OFFICE OF THE UNITED STATES TRUSTEE AND ALL PARTIES IN
INTEREST:**

TriDimension Energy, L.P. (“TriDimension”) and its affiliated debtors and debtors in possession (collectively, the “Debtors”)¹ in the above-captioned chapter 11 case (the “Cases”),

¹ The Debtors in these chapter 11 cases are TriDimension Energy, L.P., TDE Operating GP LLC, TDE Subsidiary GP LLC, TDE Property Holdings, LP, Axis E&P, LP, Axis Onshore, LP, Axis Marketing, LP, and Ram Drilling, LP.

pursuant 11 U.S.C. § 521, Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “FRBP”), the United States Trustee Guidelines for Region 6 (the “Guidelines”) and pursuant to the *Order pursuant to 11 U.S.C. § 521, Fed. R. Bankr. P. 1007, and Local Rule 1007 Extending Time to File Schedules and Statement of Financial Affairs* [Docket No. 49], entered on May 26, 2010 (the “Filing Extension Order”), hereby set forth the following Global Notes and Statements of Limitations, Methodology and Disclaimer Regarding Debtors’ Statements of Financial Affairs and Schedules; Along with Reservations of Rights (the “Global Notes”).

PRELIMINARY STATEMENT

The Schedules of Assets and Liabilities and Statements of Financial Affairs (the “Schedules and Statements”) filed herewith by the Debtors were prepared pursuant to 11 U.S.C. § 521 and FRBP Rule 1007 by Debtors’ management, with the assistance of the Debtors’ employees and court-approved professionals, and are unaudited.

While the Debtors’ management has made every effort to ensure that the Schedules and Statements are accurate and complete based on information that was available at the time of preparation, inadvertent errors or omissions may have occurred. The Schedules and Statements remain subject to further review and verification by the Debtors. Subsequent information may result in material changes in financial and other data contained in the Schedules and Statements.

Except as noted in the Schedules and Statements, all asset and liability data is reported as of the close of business on May 21, 2010 (the “Petition Date”).

The Debtors have used their best efforts to compile the information set forth in the Schedules and Statements from their books and records maintained in the ordinary course of their businesses. The Debtors reserve their right to amend their Schedules and Statements from time to time as the Debtors deem necessary or appropriate.

These Global Notes are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

1. **Basis of Presentation.** For financial reporting purposes, the Debtors prepare

1 consolidated financial statements, which include financial information for all subsidiaries and
2 which in the past have been audited annually. The Schedules and Statements are unaudited and
3 reflect the Debtors' best efforts to report the assets and liabilities of each Debtor on an
4 unconsolidated basis. These Schedules and Statements neither purport to represent financial
5 statements prepared in accordance with Generally Accepted Accounting Principles in the United
6 States ("GAAP"), nor are they intended to fully reconcile to the financial statements.

7 2. Summary of Significant Reporting Policies. The Schedules and Statements have
8 been signed by Kenneth A. Gregg, Chief Financial Officer. In reviewing and signing the
9 Schedules and Statements, Mr. Gregg has necessarily relied upon the efforts, statements and
10 representations of the accounting and non-accounting personnel located at TriDimension's
11 headquarters. Mr. Gregg has not (and could not have) personally verified the accuracy of each
12 such statement and representation, including statements and representations concerning amounts
13 owed to creditors. Each of the Debtors made its best effort to report asset, liability, disbursement
14 and other information on each appropriate Schedule and Statement. However, the following
15 qualifications and limitations apply to each of Debtor's Schedules and Statements:

16 a. Reporting Date. Unless otherwise noted, asset and liability values are reported in
17 the Debtors' Schedules and Statements as of the close of business on May 21, 2010.

18 b. Net Book Value. It would be cost prohibitive and unduly burdensome to obtain
19 current market valuations of the Debtors' property interests. Accordingly, unless otherwise
20 indicated, net book values, of May 21, 2010, rather than current market values of the Debtors'
21 interest in property are reflected on the Debtors' Schedules. The Debtors' assets are presented,
22 in detail, as they appear on the Debtors' accounting sub-ledgers. As such, the detail may include
23 error corrections and value adjustments (shown as negative values or multiple line items for an
24 individual asset ID).

25 c. Causes of Action. The Debtors have not set forth all causes of action against all
26 third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights
27 with respect to any causes of action that they may have, and neither these Global Notes nor the
28 Schedules and Statements are intended to be and shall not be deemed a waiver of any such

1 causes of action or of the right to amend the Schedule and Statement.

2 d. Schedule D:

3 i. Except as otherwise agreed pursuant to a stipulation or agreed order or any
4 other final order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or
5 challenge the validity, perfection, or immunity from avoidance of any lien purported to be
6 granted or perfected in any specific asset to a secured creditor listed on Schedule D of any
7 Debtor. Moreover, although the Debtors have scheduled claims of various creditors as secured
8 claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such
9 creditor's claim or the characterization of the structure of any such transaction, or any document
10 or instrument related to such creditor's claim provided such reservation is not inconsistent with
11 any final order entered by the Bankruptcy Court.

12 ii. In certain instances, a Debtor may be a co-obligor, co-mortgagor, or
13 guarantor with respect to scheduled claims of other Debtors. No claim set forth on Schedule D
14 of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or
15 discharged, in whole or part, by other entities. The descriptions provided in Schedule D are
16 intended only to be a summary. Reference to the applicable loan agreements and related
17 documents is necessary for a complete description of the collateral and the nature, extent, and
18 priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be
19 deemed a modification or interpretation of the terms of such agreements. Holders of secured
20 claims by virtue of holding setoff rights against the Debtors are not included on Schedule D.

21 iii. Lessors, utility companies and other parties which may hold security
22 deposits have not been listed on Schedule D.

23 iv. The Debtors have only included liens filed as of the Petition Date on
24 Schedule D. Certain parties may be entitled to and may have filed liens postpetition, that relate
25 back to the date of first work which may be prepetition.

26 v. In some cases, liens were filed naming multiple Debtors. The Debtors
27 have scheduled liens filed on the Schedule D for each named Debtor as contingent, unliquidated,
28 and disputed.

1 e. Schedule F. In certain instances, a Debtor may be a co-obligor, co-mortgagor, or
2 guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule
3 F of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or
4 discharged by other entities. The descriptions provided in Schedule F are intended only to be a
5 summary. Nothing in the Global Notes or the Schedules and Statements shall be deemed a
6 modification or interpretation of the terms of such agreements. The claims of individual
7 creditors for, among other things, merchandise, goods, services or taxes are listed at the amounts
8 listed on the Debtors' books and records and may not reflect credits or allowances due from such
9 creditor. The Debtors reserve all of their rights respecting such credits and allowances. The
10 dollar amounts listed may be exclusive of contingent and unliquidated amounts. The Debtors
11 expressly incorporate by reference into Schedule F all parties to pending and potential pending
12 litigation listed in the Debtors' Statements as contingent, unliquidated and disputed claims to the
13 extent not already listed on Schedule F. All parties to executory contracts, including those listed
14 on Schedule G, are holders of contingent and unliquidated unsecured claims arising from (i)
15 obligations under those executory contracts and/or (ii) rejection damages in the event that such
16 executory contract is rejected. Not all such claims are duplicated on Schedule F.

17 f. Schedule G:

18 i. The businesses of the Debtors are complex. While every effort has been
19 made to ensure the accuracy of the Schedule of Executory Contracts, inadvertent errors or
20 omissions may have occurred. The Debtors hereby reserve all of their rights to dispute the
21 validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G
22 and the right to amend or supplement such Schedule as necessary.

23 ii. The contracts, agreements, and leases listed on Schedule G may have
24 expired or may have been modified, amended, or supplemented from time to time by various
25 amendments, restatements, waivers, estoppel certificates, letters, and other documents,
26 instruments, and agreements that may not be listed therein.

27 iii. The presence of a contract or agreement on Schedule G does not constitute
28 an admission that such contract or agreement is an executory contract or unexpired lease or valid

1 and enforceable. The Debtors reserve all of their rights, claims, and causes of action with respect
2 to the contracts and agreements listed on Schedule G.

3 g. Dates of Incurred Claims. The claims listed in Schedules D, E, and F
4 were incurred on various dates. A determination of the date upon which each claim was incurred
5 would be unduly burdensome and cost prohibitive.

6 3. Claims. The Debtors' Schedules list creditors and set forth the Debtors' estimate
7 of the number of claims of creditors as of the close of business on May 21, 2010. Payments or
8 transfers otherwise reducing claims have been made subsequently to certain claimants pursuant
9 to the Bankruptcy Court's orders in the Debtors' cases. The Debtors have attempted to reflect
10 these subsequent payments in the Schedules and Statements, but the actual unpaid claims of
11 creditors may differ from the amounts set forth in the Schedules and Statements.

12 4. Employee and Former Employee Addresses. Where directors, employees, former
13 employees, and equity holders have been identified in the Schedules and Statements, their
14 personal addresses have not been disclosed except to the extent that no business address is
15 available. These addresses will be provided with appropriate confidentiality provisions upon
16 request.

17 5. Employee Claims. On May 26, 2010, the Bankruptcy Court entered a first-day
18 interim order granting authority to the Debtors to pay prepetition employee wages, salaries,
19 benefits, and other obligations for employees. See *Order (I) Authorizing Debtors to (A) Pay*
20 *Prepetition Wages and Salaries to Employees and (B) Pay Prepetition Benefits and Continue*
21 *Benefit Programs in the Ordinary Course; and (II) Directing Banks to Honor Checks For*
22 *Payment of Prepetition Employment Obligations* entered on May 26, 2010 [Docket No. 51] (the
23 "Employee Wages Order"). Pursuant to such the Employee Wages Order, the Debtors believe
24 that any employee claims for pre-petition amounts either have been satisfied or are in the process
25 of being satisfied. Accordingly, employee claims for amounts owing as of the end of the day on
26 May 21, 2010 that have been paid or that are intended to be paid have not been included in the
27 Schedules and Statements.

28 6. Disputed, Contingent, and/or Unliquidated Claims. Schedules D, E, and F permit

1 each of the Debtors to designate a claim as disputed, contingent, and/or unliquidated. A failure
2 to designate a claim on any of these schedules as disputed, contingent, and/or unliquidated does
3 not constitute an admission that such claim is not subject to objection or that such claim is or
4 should be allowed. The Debtors reserve the right to dispute, or assert offsets or defenses to any
5 claim reflected on these Schedules as to nature, amount, liability, or status or to otherwise
6 subsequently designate any claim as disputed, contingent or unliquidated.

7 7. Global Notes Control. In the event that the Schedules and Statements differ from
8 the Global Notes, the Global Notes shall control.

9 8. Reservation of Rights. Nothing contained in the Schedules and Statements or
10 these Global Notes shall constitute a waiver of any of the Debtors' rights or an admission with
11 respect to their chapter 11 cases, including, but not limited to, any issues involving objections to
12 claims, substantive consolidation, equitable subordination, defenses, characterization or re-
13 characterization of contracts, assumption or rejection of contracts under the provisions of chapter
14 3 of the Bankruptcy Code and/or causes of action arising under the provisions of chapter 5 of the
15 Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers.

16 9. Amendments. The Debtors each reserve the right to amend the Schedules and
17 Statements in all respects at any time as may be necessary or appropriate, including without
18 limitation, (a) to assert offsets or defenses to any claim, (b) to amend the amount, liability, or
19 classification of any claim, or (c) to otherwise designate any claim as contingent, unliquidated or
20 disputed. Any failure to designate a claim as contingent, unliquidated, or disputed does not
21 constitute an admission by any Debtor that such claim is not contingent, unliquidated, or
22 disputed.

SCHEDULE B - PERSONAL PROPERTY

Except as directed below, list all personal property of the Debtor of whatever kind. If the Debtor has no property in one or more of the categories, place an "x" in the appropriate position in the column labeled "None." If additional space is needed in any category, attach a separate sheet properly identified with the case name, case number, and the number of the category. If the debtor is married, state whether husband, wife, or both own the property by placing an "H", "W", "J", or "C" in the column labeled "Husband, Wife, Joint, or Community." If the Debtor is an individual or a joint petition is filed, state the amount of any exemptions claimed only in Schedule C - Property Claimed as Exempt.

Do not list interests in executory contracts and unexpired leases on this schedule. List them in Schedule G - Executory Contracts and Unexpired Leases.

If the property is being held for the Debtor by someone else, state that person's name and address under "Description and Location of Property." In providing the information requested in this Schedule, do not include the name or address of a minor child. Simply state "a minor child."

It would be prohibitively expensive and unduly burdensome to obtain current market valuations of the Debtor's personal property interests. Accordingly, the values set forth herein are net book values as of the Petition Date rather than current market values.
